PROJECT EXPERIENCE

Greenfield District in Mandaluyong City

Interior Design Exhibition Team Member

Philippine School of Interior Design Group Exhibit 2016:
“Modern Chinese Office Den”

- Collaborated with a team of 6 people, utilized conflict management skills to complete the project on time and on budget
- Researched the latest design trends, materials and technologies to incorporate the exhibit
- Managed to sort out materials or equipments then dealt with suppliers/manufacturers
- Designed digital floor plans and perspectives to execute the actual concept of the project
- Arranged swatches to let the clients visualize the texture of the projects per area
- Utilized attention to detail and strong organizational skills selected long-lasting and high-quality materials as well as focusing on aesthetics of materials to create a product for the client within budget
- Explained to the guests based on the execution of the interior space according to its functionality, aesthetics and theories
- Presented project successfully to a group of experts and peers
